AVNL CAREERS
Recruitment Fraud Notice

Beware of false recruitment offers

The AVNL Corporate Office is privy of online and offline scams, that pose as fake career opportunities with our organization. The people implementing these scams or other similar false offers of employment claim to work for our company, but they are not affiliated with the AVNL companies and are made without our knowledge or approval.

**Please note that AVNL does not ever ask for money or payments from applicants. All individuals who are successful in gaining an offer of employment from AVNL are always required to go through a formal recruitment process.*

Signs of recruitment fraud

- Job Listings or Emails Are Full of Errors
- Job Description and Requirements Are Vague
- Upfront Expenses Are Required To Gain Access to the Opportunity
- Interviews Take Place Over Messaging Platforms
- The Job Seems Too Good To Be True
- A Sense of Urgency To Hire
- The Web Address Is Slightly Altered
- Personal Details Are Requested Upfront
- Perpetrator contacts you via instant messaging, WhatsApp or any method that is

Corporate Governance

Corporate governance is the system of rules, policies, practices, processes and above all principles by which a Company is directed and controlled. While acknowledging the primacy of the shareholders, corporate governance essentially involves balancing the interests of a company's many stakeholders, such as shareholders, customers, suppliers, financiers, the government, and the community. The basic principles of corporate governance are accountability, transparency, fairness, and responsibility. Good corporate governance helps to build an environment of trust, transparency and accountability necessary for fostering long-term investment, financial stability and business integrity, ethical behaviour thereby supporting stronger growth and more inclusive societies.
